Mdm Farhana

Nur Farhana Hazwanee binti Sulaiman is a lecturer at the Mechanical Engineering Department, Politeknik Kota Bharu. She obtained a Bachelor of Biological and Agricultural Engineering with honours from Universiti Putra Malaysia. She has taught various subjects such as Waste Management System, Agricultural Processing Engineering, and Robotic and Automation in Agricultural. She has an experienced 13 years in learning and teaching. She can be contacted at farhanajab@pkb.edu.my

Mdm Julia

Julia binti Jamaluddin is a lecturer at the Mechanical Engineering Department, Politeknik Kota Bharu. She obtained a Bachelor of Biological and Agricultural Engineering with honours from Universiti Putra Malaysia. She also holds a Master of Manufacturing Engineering (Manufacturing System Engineering) from the Universiti Teknikal Malaysia, Melaka. She has taught various subjects such as Water Engineering, Agricultural Waste Management and Agricultural Mechanization. She has an experienced 15 years in learning and teaching. She can be contacted at julia@pkb.edu.my

Mdm Ezdalina

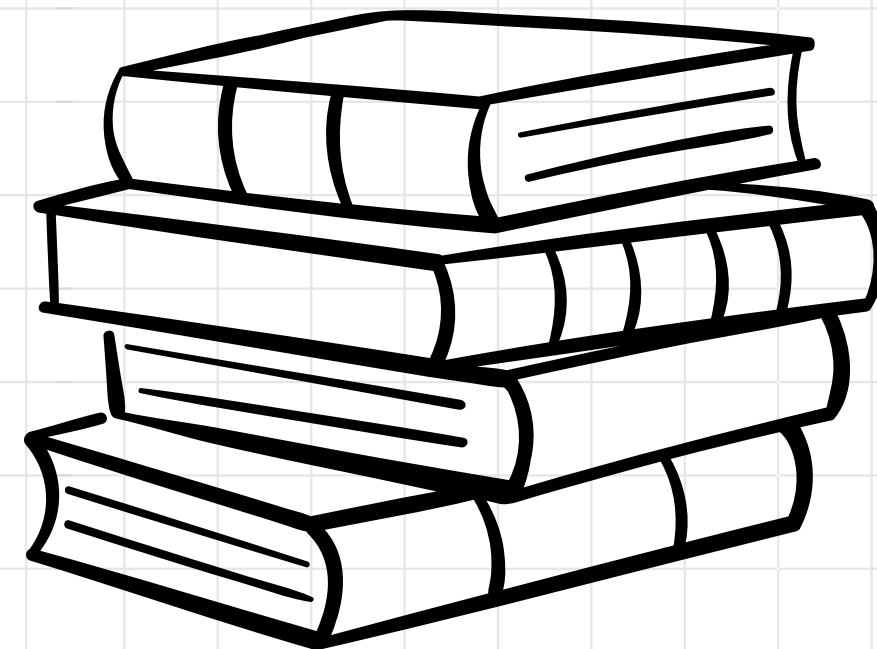

Ezdalina binti Abdul Rahaman is a lecturer at the Mechanical Engineering Department, Politeknik Kota Bharu. She obtained a Bachelor of Biological and Agricultural Engineering with honours from Universiti Putra Malaysia. She has taught various subjects such as Waste Management System, Agricultural Processing Engineering, and Robotic and Automation in Agricultural. She has an experienced 8 years in learning and teaching. She can be contacted at ezdalina@pkb.edu.my

DURATION

40 HOURS

EVALUATION

PRE TEST

POST TEST

ACTIVITIES

FINAL QUIZ

LESSON TO BE COVERED:

- 1. MAIN COMPONENTS IN
TRACTOR**
- 2. SAFETY PRECAUTIONS
IN TRACTOR
HANDLING**
- 3. TRACTOR HANDLING
(OPERATION)**

REQUIREMENTS FOR CLASS:

- 1. Telecommunication device.**
- 2. Good Internet receptions.**
- 3. Notes.**
- 4. Complete 40 hours course.**

THANK YOU!

Let's learn something new today

and...

GOOD LUCK!!!
